Explanatory Note

The purpose of this By-law is to implement the Official Plan of the Township of Baldwin and to regulate the use of land and the character, location and use of buildings and structures in the Township of Baldwin. This By-law applies to all land within the Township of Baldwin.

The By-law is passed by the authority of Section 34 of the *Planning Act*. The By-law conforms to the Official Plan for the Township of Baldwin.

After the date of adoption of this By-law, any new development, redevelopment or alteration to an existing use or building must comply with the regulations of this By-law before a building permit can be issued. Applicants are encouraged to pre-consult with the Township on how the zoning regulations apply.

Changes to the regulations contained in this By-law may be made with prior approval from the Township as provided for under the *Planning Act*. Changes may require an amendment to the Zoning By-law.

Zoning By-law Amendments

The Zoning By-law may be amended where the proposed amendment complies with the Township's Official Plan. In accordance with the requirements of Section 34 of the *Planning Act*, the usual procedure for amendments involves the following steps:

- (1) The person or public body wishing to amend the Zoning By-law must consult with the municipality before making an application. The application may then be made to the Clerk of the Corporation of the Township of Baldwin to amend the By-law under (subsection 34(10.0.1) of the *Planning Act*). Applications are available from the Township office: 11 Spooner Street, Box 7095, McKerrow, Ontario, P0P 1M0. Tel. (705) 869-0225 or on the Township's website www.baldwin.ca
- (2) Designated staff will determine whether the application is a 'complete' application. Additional information, reports or studies may be required to support the proposed amendment before the application is considered complete. Applicants are required to submit a public consultation strategy as part of the application. Council has 30 days from the date of application to determine whether the application is complete (s. 34(10.1-10.3)). A complete application also requires that the Township's application fee is paid.
- (3) Once the application is considered complete, staff circulates to the applicant and prescribed agencies and bodies a Notice of Complete Application (s. 34(10.4)). If Council deems an application incomplete or does not make a decision within 30 days

from the date of application, the person or public body may appeal to the Local Planning Appeal Tribunal (LPAT) to determine whether the application is complete (s. 34(10.5)).

- (4) If an application is considered complete, staff advertises that a Public Meeting will be held in order to consider an amendment to the Zoning By-law. Advertisement is given 20 days in advance of the public meeting (s. 34(12-13, 14.1)). The advertisement may be placed in the local newspaper, or may be mailed, faxed or emailed to all property owners within 120 m of the property affected by the application. Where the notice is mailed, the applicant must also post a notice in a location on the property to be zoned that is visible from the adjacent street.
- (5) Council holds a Public Meeting and evaluates the appropriateness of the proposed amendment. Council considers the proposal's conformity with the Official Plan, adequacy of services, conformity with the provisions of the requested zone, suitability of the proposed use in the proposed location, public input, etc. The application must also be consistent with the Provincial Policy Statement and must also comply with the Growth Plan for Northern Ontario. If the application is considered satisfactory, the amending By-law is passed by Council.
- (6) Within 15 days of the passing of the by-law, the Clerk will give written notice of the decision of Council through a notice by mail, fax or email to the applicant, to the Ministry of Municipal Affairs and Housing and to anyone who made a written request to receive notice of the decision (s. 34(10.9, 18)).
- (7) If Council refuses the application and does not amend the zoning by-law, the Clerk must give written notice with reasons to the applicant. The notice must be given within 15 days of Council's decision.
- (8) Any person who gave their opinion at a public meeting or who submitted their concerns in writing to the Clerk before the by-law was passed may appeal the decision of Council to the Local Planning Appeal Tribunal. The appeal must be filed with the clerk within the 20 day appeal period set out in the notice of the passing of the Zoning By-law amendment (s. 34(19)) and must include a cheque for \$300 payable to the Minister of Finance. If a person does not make an oral or written submission prior to council passing the by-law, they may not appeal Council's decision.
- (9) If Council refuses to approve the application or Council does not make a decision within 150 days from the date the application the person or public body may appeal to the Local Planning Appeal Tribunal (s. 34(11)). An appeal of a refusal must be made within 20 days of the date of the decision or within 20 days of the lapsing of the 150-day period (s. 34(11, 11.0.2)).
- (10) Where an appeal is made, Council may opt for mediation or dispute resolution to resolve the objection by giving notice to the appellant(s) (s. 34 (20.2)). Participation by the appellant(s) is voluntary but where agreed to, the period for mediation is 75 days.

- (11) An amendment to the Zoning By-law takes effect on the day the by-law was passed by Council provided no appeal is filed.
- (12) If a decision or lack of a decision is appealed to the Local Planning Appeal Tribunal, the Tribunal can make any decision the Council of the Township had in regard to the specific application (s. 34(26)). In other words, the LPAT can approve, or refuse the application or approve the application in part.

How long does a zoning By-law amendment take to be approved?

Upon the receipt of a complete application (including any required supporting studies), a zoning By-law amendment usually takes 2-3 months to complete. The level of complexity and issues related to the proposal will affect the time line.

Minor Variances

A minor variance may be granted to the zoning by-law where the size or shape or other conditions prevent an applicant from meeting the zoning standards provided the criteria can be met. Criteria for evaluating of Minor Variances are set out in section 45(1) of the *Planning Act*):

- (1) The general intent and purpose of the Official Plan are maintained;
- (2) The general intent and purpose of the Zoning By-law are maintained;
- (3) The variance is minor; and
- (4) The proposed use of land, building or structure is desirable for appropriate development.

An application for a minor variance must meet all of the above four tests to be approved in addition to any other criteria that the Township has established. Where a proposed variance is not minor or cannot satisfy the criteria for a minor variance, an amendment

to this Zoning By-law may be required. Applications for a minor variance are available from the Township office 11 Spooner Street, Box 7095, McKerrow, Ontario, P0P 1M0. Tel. (705) 869-0225 or on the Township's website www.baldwin.ca

How long does a minor variance application take to be approved?

Upon the receipt of a complete application a minor variance application usually takes 1-2 months to complete. The level of complexity and issues related to the proposal will affect the time line.

How to Use this By-law

Step 1 – Locate Your Property and Determine the Zone

Use the zoning schedules (maps) at the end of this document to locate the property you are interested in. Identify the zone symbol that applies to that property. Zone examples include R1, R2, C1, and M1

Step 2 – Verify status of any Zoning By-law Amendments

A Zoning by-law is not a static document; it is amended over time as demands and policies governing land use change. Before proceeding any further, you should verify that your property is not the subject of an earlier Zoning By-law Amendment. While the Township strives to keep the By-law up-to-date, more recent amendments may not be included in the version of the By-law you are using. Township staff will be able to assist you to confirm if your property has been the subject of a more recent amendment.

Step 3 – Determine What Uses are Permitted in the Zone

Use the Permitted Uses section of the Zone to determine what use(s) is/are permitted in the Zone. Run your finger down the list to find the use you are interested in. If you find the use you are interested in, it is permitted in the Zone. Otherwise, it is not permitted in that Zone.

Step 4 – Determine What Zone Regulations Apply

Once the use is determined to be permitted, move down to the Zone Regulations section. In this section the regulations will indicate what the minimum regulations will be, i.e. minimum lot area, lot frontage, building setbacks etc. These standards will help you determine where you can locate a building or structure on your lot.

Step 5 – Determine if any General Provisions Apply

Development of the property may be affected by Section 4 (General Provisions). General Provisions can apply to any zone anywhere in the municipality. This section contains provisions that apply to such matters as Accessory Uses, Height Exceptions, Home Based Businesses, parking etc. Use this section to determine how a particular land use might be affected.

For example, Section 4.22 provides the parking requirements for all uses permitted in the Township. If you are considering changing the use of your property or adding a new use to your property, you should review Section 4.22 to ensure that you are aware of the parking requirements.

Step 6 – Clarify the Meaning of a Use

Throughout the By-law some words are shown in ***black italicized script***. These words are defined in Section 3 (Definitions). If you are unsure as to what a particular word means or what the scope of a permitted use includes, then refer to the alphabetical list of definitions to assist you. This section also contains illustrations which are intended to help with understanding the definition.
