DECISIONS AND REASONS OF THE CONSENT APPROVAL AUTHORITY

• APPLICATION GRANTED

The Consent Approval Authority, having considered the evidence presented and reviewed the plan and correspondence on file, and having had regard to the matters set out in Section 51(24) of the *Planning Act*, R.S.O. 1990, c.P. 13, as amended, is satisfied that, in this instance, a plan of subdivision is not necessary or desirable for the proper and orderly development of the Municipality. The Consent Approval Authority therefore grants the provisional consent, subject to the following conditions, **which must be fulfilled within a two-year period from the date of this Decision:**

1. That Council of the Township of Baldwin grant provisional consent to application B06-22 subject to the following conditions:
 - a. That the Owner file with the Clerk a copy of the registered Reference Plan, prepared by an Ontario Land Surveyor registered in the Province of Ontario, to include the following:
 - Parts for the retained lot and severed lot;

- Lot dimensions and area in accordance with the applications; and
- Setbacks of all buildings and structures

The Reference Plan should conform substantially to the sketch filed with the Application for Consent.

2. That the Owner provides confirmation from the local Health Unit or Ministry of Environment that the proposed severed lots can be appropriately serviced by private wells and septic systems.
3. That the Owner provides payment for the cash-in-lieu of parkland representing 5% of the value of each severed lot to the Township of Baldwin.
4. That the payment of the balance of any outstanding taxes, as of the date of the certification of the Transfer/Deed with respect to the property that is subject to the application shall be made to the Treasurer of the Township of Baldwin.

Upon completion of the conditions as outlined above, the Clerk of the municipality shall give a certificate to the applicant stating that the consent has been given. **Within a two-year period from the date of the certificate**, the Owner(s) must file with the Clerk, the 'electronic registration preparation documents' for the Conveyance for which the Consent is required, otherwise the consent will lapse per Section 53(43) of the *Planning Act*.

Please note that if a major change to a condition or conditions is requested, you will be entitled to receive Notice of the changes only if you have made a written request to be notified.
