

The Corporation of the Township of Baldwin Accessibility Status Report 2021

An update on the actions by the Township of Baldwin to prevent and remove barriers for persons with disabilities.

The municipality is committed to remove and prevent barriers that limit individuals with disabilities accessing services and facilities. The municipality continues to identify any opportunities to enhance accessibility needs within the community and implement when permitted. We will continue to work creating an inclusive community that will allow everyone equal opportunity to access services, programs and facilities.

Accessibility Status Update for 2021

This annual report describes the progress and measures taken by the Township of Baldwin in 2021 to improve accessibility and implement the requirements set out in the OADA (Accessibility for Ontarians with Disabilities Act).

Design of Public Spaces

Grant funding was used to assist with the rehabilitation of one washroom at the Town Hall. Renovations to the washroom facility were completed to accommodate individuals with accessibility issues and allow wheelchair access.

Information and Communications

The municipality will communicate with the general public by social media and the municipal website to obtain feedback relating to any possible accessibility concerns in the municipality. All suggestions and comments to improve accessibility within the municipality are welcomed. By working with all stakeholders, the municipality will meet these goals by focusing on any improvements that can be made within our existing services and infrastructure.

Public input may be submitted to the municipality by contacting us by email at admin@baldwin.ca; by telephone at 705-869-0225 or in writing at the following address: Township of Baldwin; 11 Spooner Street, McKerrow, Ontario P0P 1M0
